### Family Education Videos on “Family Values: Our Cherished Legacy”— Time Machines for Virtuous Family Values

#### Episode 1: Hunting For Family Treasures

##### Video’s Transcript

- Dr Moustachio (Narration) : Your home can be designed,  
your furniture can be designed,  
and so can your family rules and family education.  
Have you ever wondered what counts for  
desirable family rules and family education?  
Put simply, what should your family values be?
- Dr Moustachio : We Chinese value the Confucian teachings,  
which advocate benevolence, righteousness,  
integrity, loyalty, filial piety, etc.  
These are all traditional Chinese family virtues  
worth passing down through generations  
to become the treasures of every family.
- Dr Moustachio : So, who am I?  
Everyone calls me Dr Moustachio,  
: and I’m taking you on a treasure hunt—  
the hunt for family treasures!
- Dr Moustachio : Welcome to my Time Machine Showroom.  
I’ve promised to take you on a hunt for family treasures  
to recover virtuous family values worth passing on.  
As they’ve been passing down through generations,  
for sure we’ll need time machines for the hunt.
- Dr Moustachio : This, can turn all the furniture here into time machines,  
taking you to the past and the future to recover  
family rules and family education worthy of passing on.  
Say, filial piety, courtesy, righteousness and benevolence,

all are virtuous family values that once pass down,  
they'll become family treasures  
that money can't buy!

Dr Moustachio : This time-travelling sofa can help the whole family  
recover the virtuous values of support and understanding.

Dr Moustachio : Don't underestimate this mirror.  
It can help parents and children  
recover integrity and filial piety.

Dr Moustachio : And this time-travelling table is just awesome,  
for men and women of all ages can recover  
the family values of diligence, thrift and gratitude.

Dr Moustachio : Family values indeed have great impact on our youngsters' future.  
You doubt it?  
I'll show you.  
Follow me!

Dr Moustachio : Follow me to parallel universes and find out  
how different family values impact the exact same family.

Dr Moustachio : The family value here is  
(Narration) "together, yet apart".  
That's cold!

Dr Moustachio : Fortunately, in another universe,  
(Narration) they're together sharing weal and woe.  
How heartwarming!

Dr Moustachio : Dear all, teaching by example is vital.  
Can you imagine the future of that family's next generation?  
The same family  
may have two different sets of family values.  
Which set will bring you the family you desire?

The family your desire  
is for sure the most desirable family.

Dr Moustachio : In fact, every family member can take the lead  
(Narration) to set virtuous family values and pass them on!
